

**Mid-Ga Gem and Mineral Society**  
**Auction of equipment, Rock, tools, supplies, and more**  
**February 12, 2022 at 12:15pm**

The What Where When and How

**What:** The club received a donation of equipment and more from a family in Ashburn, Georgia. Attached is a list of lots and some pictures of some of the lots or parts of the lot. We have too many items to take pictures of, so this is a sample. We have 47 lots to auction off.

**Where:** At Bill Mayer's house north of Monticello, Georgia. His address is 18699 State Hwy 11. The Auction will be in a barn with one open end. We will be dry but exposed to the weather temperatures.

**Directions:** From Macon, Ga. take I-75 north to Forsyth, Ga. Take exit #187 / Hwy 83 in Forsyth; turn Right onto Hwy 83 (north). Take Hwy 83 to Monticello as you get into town turn left onto Church Street. At the second stop sign (also end of church St.) turn left onto W. Greene Street. Then Bear right onto College Street / Hwy 11. Then bear left on Hwy 11 / Maddox Street. Continue on Hwy 11 /Maddox Rd. for 6.4 miles. When you see Herd's Creek Road on the left, the next driveway on the left will be Bill's Driveway. Bill has a black steel gate and cows in the pasture. The gate will be closed but not locked, please open and drive-through the gate and close it behind you. **To keep cows in!**

**If you miss Church St turn and end up in the square follow these instructions:** Take Hwy 83 to the Monticello town square, turn right at the stop light onto the square. Then yield left facing the courthouse. At the courthouse, yield left again onto College Street/Hwy 11. Continue straight out of town on Hwy 11, a convenience store is on the right and Big Chic is on your left.

**Before the Auction:** There will be food and viewing before the auction 12:15 – 1:15pm. You will sign in and get a bidders #. Bill will have sandwiches, chili, chips, coffee, and soft drinks for us to feast on before the auction starts. The viewing of the 47 lots will be during this time. The actual auction will start around 1:15 to 1:30pm.

**The Auction:** We will start with lot 1 and continue to lot 47. One Dollar is the minimum bid and one dollar is the smallest increment bid. No "cents" bids are allowed. No paying for winning bids until the lot 47 is completed so everyone can enjoy the bidding. We will write the winning bid # and winning price on the lot # card along with on the winning bid sheet. We will only accept cash or check for payment the club cannot take credit cards.

**Notes:** The proceeds will go into the club general fund. Some of the equipment is not in good condition but I think most can be put back into service with a little work.

1. Ultra tec v2 faceting machine + spare wheels in white box

2. Tektator cat no. r4138 with metal plates
3. 16" chop saw
4. 15" lortone flat lap with 3 pans
